## Etiquette and Behaviour:

At UWA Sport, we understand that excitement and a new environment can stir up unfamiliar behaviours. We aim to provide a friendly, comfortable and fun atmosphere for all kids to enjoy, free of disrespectful behaviour.

If your child becomes excessively unruly in a physical or verbal manner towards other children or Coaches, the guardian of the child will be contacted to collect the child. Where possible, we will do our best to ensure that this is a last resort.

## Emergency Procedures:

In the case of an emergency or accident involving your child, we will contact you directly as soon as possible.

## Illness/Medication:

Please call us on 6488 2286 if your child is ill and cannot attend the program on their enrolled days. For a course credit or refund, you will need to supply a medical certificate and submit a refund application.

If your child should become ill during the program, you will be notified and a pick up may be requested depending on the seriousness of their condition.

If your child requires any type of emergency medication (eg. inhaler or EpiPen) please notify staff prior. We are unable to accept responsibility for any medication taken at regular intervals to manage known conditions. To discuss how your child can still be involved, please contact us directly.

If your child requires any other type of medication during the program, please email [kids@sport.uwa.edu.au](mailto:kids@sport.uwa.edu.au) before registering.

## Child Care Subsidy:

The UWA Holiday Sports Clinics are not eligible for the Child Care Subsidy or KidSport program.

## Communication and Feedback:

Should you have any questions or would like to provide feedback regarding the holiday programs, please do not hesitate to speak to one of our Leads or Managers on the day.
